ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we

<u>Peter Borden</u>	of <u>San Mateo, CA</u>
<u>Ji-Ping Li</u>	of <u>Fremont, CA</u>
<u>Jon Madsen</u>	of _____

hereby sell, assign and transfer to Boxer Cross, Incorporated, a California corporation, having a place of business at 978 Hamilton Court; Menlo Park, California 94025, its successors and assigns, the entire right, title and interest throughout the world in our invention in:

Calibration as well as Measurement on the Same Workpiece During Fabrication

for which we have executed a United States patent application on or about the date of this assignment, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from us; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 4th day of October, 2001.
